ADMINISTRATION DIRECTORATE REVIEW: TRENDS AND HIGHLIGHTS

Evaluation

In order to enhance the usefulness of the Trends and Highlights Course to you and future participants, a continuing process of evaluation is necessary. We ask your cooperation in assisting us in keeping the course responsive to the needs of the participants.

COURSE OBJECTIVE

The objective of the course is to update Deputy Director for Administration careerists' knowledge and understanding of current activities, problems and trends in the Directorate and its various offices.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

*Training of agency personnel & CIA Archives & Records. The least useful was probably Support to Station Operations. That session was quite interesting though. I think the program will be beneficial in that it informed me of the different operations in AdA.*

(See Reverse Side)

- C. Did you feel the session on the Administration Directorate/ Management & Advisory Group (AD/MAG) was beneficial? Why?

*Yes. There were a few issues and problems mentioned that I am sure many of the students weren't aware of.*

- D. Other Comments:

*I would like to see a similar program formed that would evaluate other components, namely AOS and its offices.*
